Section 5.3 OATH OF OFFICE AND BOND REQUIRED

Every officer, elective or appointive, before entering upon the duties of that office, shall qualify by taking the oath of office prescribed for public officers by the Constitution of the State of Michigan, and by filing the oath with the City Clerk, together with any bond required by State law, this charter or by the Council. In case of failure to comply with the provisions of this section within twenty days from the date they are notified in writing of that officer's election or appointment, such officer shall be deemed to have declined the office and such office shall thereupon become vacant unless the Council shall, by resolution, extend the time in which such officer may qualify as above set forth.

Section 5.4 SURETY BONDS

Such notice shall include a copy of the charges against the officer. The hearing shall afford an opportunity to the officer, in person or by their attorney, to be heard in their defense, to cross-examine witnesses and to present testimony. If the officer shall neglect to appear, without good cause, at the hearing and answer the charges, their failure to do so may be deemed cause for removal. A majority vote of the members of the Council in office at the time, exclusive of any member whose removal is being considered, shall be required for any such removal.

Section 5.8 RESIGNATIONS OF ELECTIVE AND APPOINTIVE OFFICERS

Section 10.2 SUBJECT OF TAXATION

- A. Exclusive of any levies authorized by law to be made beyond charter tax rate limitations, the annual ad valorem tax levy shall not exceed two percent or twenty mills of the taxable value of all real and personal property in the City.
- B. The subjects of ad valorem taxation for municipal purposes shall be the same as for state, county, school, and any other taxing entities under the law.
- C. Except as otherwise provided by this charter, City taxes shall be assessed, levied, collected, and returned in the manner provided by law.

Section 10.3 TAX DAY

Subject to the exceptions provided or permitted by law, the taxable status of persons and property shall be determined as of December 31, or such other date as may subsequently be required by law, which shall be deemed the tax day. Values on the assessment roll shall be determined according to the facts existing on the tax day for the year for which such roll is made, and no change in the status or location of any such property after that day shall be considered by the assessor or the Board of Review.

Section 10.4 JEOPARDY ASSESSMENTS

If the City Treasurer finds or reasonably believes that any person, who is, or may be, liable for taxes upon personal property, the taxable status of which was in the City on tax day, intends to depart or has departed from the City; or to remove or has removed therefrom personal property, which is, or may be, liable for taxation; or to conceal or conceals their person or their property; or does any other act tending to prejudice, or to render wholly or partly ineffectual, the proceedings to collect such tax, unless proceedings therefore be brought without delay, the City Treasurer shall proceed to collect the same as a jeopardy assessment in the manner provided by law.

Section 10.5 ASSESSMENT

The City Assessor shall annually place a value, in accordance with law, upon all property, both real and personal, in the City, which is subject to taxation. Such valuation of property shall be in accordance with established assessment rules, techniques, and procedures. The Council shall provide for the maintenance of the records and facilities of the office of the City Assessor.

Section 10.6 ASSESSMENT ROLL

- A. Prior to the date of the first meeting of the Board of Review in each year, the City Assessor shall prepare and certify an assessment roll of all property in the City, in the manner and form provided in the general tax law of the State of Michigan. Such roll may be divided into volumes that the City Assessor shall identify by

number, for the purpose of convenience in handling the assessment roll and for locating properties assessed therein. The attachment of any certificate or warrant required by this chapter to any volumes of the roll, either as an assessment roll or as a tax roll, shall constitute the attachment thereof to the entire roll, provided the several volumes are identified in such certificate or warrant. Values of property set forth on the assessment roll shall be determined according to recognized methods of systematic assessment.

- B. The City Assessor shall give notice by first class mail to each owner of property which has been added to the assessment roll or the value of which has been increased or decreased on such roll. The notice shall be addressed to the owner according to the records of the City Assessor's office and mailed not less than twenty-one days before the date of the convening of the Board of Review. Neither the failure of the City Assessor to give notice nor the failure of a person to receive notice shall invalidate any assessment roll or any assessment thereon.

Section 10.7 CERTIFICATION OF ROLL

After the Board of Review has completed its review of the assessment roll, the majority of its members shall sign a certificate to the effect that the same is the assessment roll of the City for the year in which it has been prepared, as approved by the Board of Review, which certificate, when attached to any volume of the roll, shall constitute a conclusive presumption of the validity of the entire roll.

Section 10.8 VALIDITY OF ASSESSMENT ROLL

Upon the certification by the Board of Review the assessment roll, and from and after midnight ending the last day of the meeting of the Board of Review, it shall be the assessment roll of the City for county, school, and City taxes, and for other taxes on real and personal property that may be authorized by law. It shall be presumed by all courts and tribunals to be valid, and shall not be set aside, except for cause set forth by law.

Section 10.9 CLERK TO CERTIFY LEVY

The City Clerk shall certify to the City Assessor the total amount which the Council determines shall be raised by general taxation, together with such other assessments and lawful charges and amounts which the county and other taxing authorities shall authorize or require to be assessed, reassessed, or charged upon the City tax roll against property or persons.

Section 10.10 CITY TAX ROLL

After the Board of Review has completed its review of the assessment roll, the City Assessor shall prepare a tax roll, to be known as the "City Tax Roll." Upon receiving the certification of the several amounts to be raised, assessed, and charged for City taxes, as provided in the preceding section, the City Assessor shall proceed forthwith to:

- A. Spread the amounts of the general City tax according to and in proportion to the several valuations set forth in said assessment roll;
- B. Place such other assessments and charges upon the roll as are required and authorized by the Council and;
- C. Complete other said tasks as required by law.

Section 10.11 TAX ROLL CERTIFIED FOR COLLECTION

After extending the taxes and placing other assessments and charges upon the roll, the City Assessor shall certify said tax roll and attach the City Assessor's warrant, directing and requiring the City Treasurer to collect from the several persons named in said roll the several sums mentioned therein opposite their respective names as a tax or assessment, and granting the City Treasurer for the purpose of collecting the taxes, assessments, and charges on such roll, all the power and immunities possessed by City Treasurers for the collection of taxes under the general laws of the state.

Section 10.12 LIENS

All taxes thus assessed shall become a debt due the City as provided by general law and, as of the first day of August of the year of assessment, the said taxes with any applicable charges, fees or penalties shall become a lien upon the property against which they are assessed until paid.

Section 10.13 TAX PAYMENT DATE

City taxes shall be due and payable on the first day of August each year and be delinquent after October 1. Other property taxes as permitted by law shall be due December 1 and be delinquent after February 28. Unpaid tax assessments, charges, penalties and fees shall be turned over for collection thereafter as provided under the provisions of the General Property Tax Act, Act 206 of the Public Acts of 1893, as amended and any other appropriate state law, this Charter or local ordinance.

Section 10.14 TAXES DUE – NOTIFICATION THEREOF

The City Treasurer shall not be required to make personal demand for the payment of taxes, but, upon receipt of the City tax roll, shall, forthwith, give notice to the taxpayers of the City by forwarding a tax statement to each person named in the tax roll, which mailed statement shall be a sufficient demand for the payment of all taxes assessed. Neither the failure on the part of the City Treasurer to mail such statement nor the failure of any person to receive the same, shall invalidate the taxes on the tax roll or release any person or property assessed from the liabilities provided in this charter in case of nonpayment.

Section 10.15 TAX PAYMENT SCHEDULE

The Council shall, provide by ordinance, for a tax payment schedule and the amount of collection charges, penalties and interest to be added to taxes, charges, and assessments on the City tax roll. When so added, such collection charges, penalties, and interest shall be treated in all respects as an item of taxes and collected as such. Any collection charges, penalties, and interest shall be collectable in the same manner as taxes, assessments, and charges to which they are added.

Section 10.16 FAILURE OR REFUSAL TO PAY PERSONAL PROPERTY TAX

If any person shall neglect or refuse to pay any tax on personal property assessed to such person, the City Treasurer shall collect the same by seizing any personal property of such person, to an amount sufficient to pay such tax, together with any charges and interest added thereto, wherever the same may be found in the State of Michigan. No property shall be exempt from such seizure. The City Treasurer may sell the property seized, at an amount sufficient to pay the taxes and all charges, fees, penalties, and interest, in accordance with statutory provisions. The City Treasurer may also sue the person to whom a personal property tax is assessed, in accordance with the powers granted by law.

Section 10.17 STATE, COUNTY AND SCHOOL TAXES

For the purpose of assessing and collecting taxes for state, county, and school purposes, the City shall be considered the same as a township, and all provisions of law relative to the collection of, and accounting for, such taxes and the penalties and interest thereon shall apply. For the purpose of collecting state, county, and school taxes, the City Treasurer shall perform the same duties and have the same powers as township treasurers under law.

Council may by ordinance, establish up to one percent property tax administration fee to add to all taxes levied by other taxing jurisdictions on real or personal property within the boundaries of the City.

Section 10.18 PROTECTION OF CITY LIEN

The City shall have the power, insofar as the exercise thereof shall not conflict with or contravene the provisions of law, to acquire such interest in any premises within the City, by purchase at any tax or other public sale, or by direct purchase from or negotiation with the State of Michigan or the owner, as may be necessary to assure to the City the collection of its taxes, special assessments, charges and any interest thereon which are levied against any lot or parcel of real property or to protect the lien of the City therefore, and may hold, lease, or sell the same. Any such procedure exercised by the City to assure the collection of its taxes or the protection of its tax or other liens shall be deemed to be for a public purpose. The Council may adopt any ordinance, which may be reasonably necessary to make this section effective.

Section 10.19 TAX ROLL TO COUNTY TREASURER

All taxes, special assessments, charges, and collection fees, on the City tax roll which remain unpaid on the first day of March following the date when said roll was received by the City Treasurer shall, on that date, become delinquent and shall be returned to the County treasurer at the time and in the same manner and with like effect as returns by township treasurers of township, school, and county taxes.

Such returns shall be made upon a delinquent tax roll to be prepared by the City Treasurer and shall include all the additional charges which shall, in such return, be added to the amount assessed in said tax roll against each description. The taxes, assessments, charges, and fees, thus returned shall be collected in the same manner as taxes returned to the County Treasurer are collected under the provisions of the general laws of the State of Michigan and shall be and remain a lien upon the lands against which they are assessed until paid.

CHAPTER XI – SPECIAL ASSESSMENTS

Section 11.1 GENERAL POWER RELATIVE TO SPECIAL ASSESSMENTS

The Council shall have the sole power to determine the necessity of public improvements within the City, and to determine that the whole or any part of the cost of any public improvement shall be defrayed by special assessment upon property or properties especially benefited in proportion to the benefits derived or to be derived. The Council shall also have the sole power of reassessment with respect to any such public improvement.

Section 11.2 PROCEDURE FIXED BY ORDINANCE

The Council shall prescribe by ordinance the complete special assessment or reassessment procedure governing the initiation of projects, the preparation of plans and cost estimates, the creation of special assessment districts, notices and hearings, making and confirming the assessment rolls, the correction of errors in such rolls, the collection of special assessments, and any other matters concerning the making and financing of improvements by special assessment.

Section 11.3 RECONSIDERATION OF PETITIONS

In the event that the Council shall fail to make any public improvement petitioned for as required by ordinance during the calendar year during which the petition is filed because of lack of funds therefore, such petition shall be reconsidered by the Council prior to the first day of March of the succeeding calendar year for the purpose of determining whether such improvement should be made during such fiscal year.

Section 11.4 CONDEMNATION COSTS

The cost of condemning or otherwise acquiring property needed for any public improvement shall constitute a part of the cost of the improvement, but in no case shall the amount of such cost which is included in any special assessment for any improvement cause the assessment to exceed the amount of the benefit received on account of the improvement by any property assessed.

Section 11.5 LIEN AND COLLECTION OF SPECIAL ASSESSMENTS

Upon the confirmation of each special assessment roll, the special assessments thereon shall become a debt to the City from the persons to whom they are assessed and, until paid shall be a lien upon the property assessed for the amount of such assessments and all interest and charges which may accrue thereon. Such lien shall be of the same character and effect as that created by this charter for City taxes and shall be treated as such in all procedures for the collection of special assessments and all collection fees or charges and interest, which may have been added or accumulated thereto.

Section 11.6 SPECIAL ASSESSMENT ACCOUNT

Moneys raised by special assessment for any public improvement shall be credited to a special assessment account, and shall be used to pay the special assessment portion of the cost of the improvement for which the assessment was levied and of expenses incidental thereto, including the repayment of the principal of and interest on money borrowed therefore, and to refund excessive assessments if refunds be authorized.

Section 11.7 CERTAIN POSTPONEMENTS OF PAYMENTS

The Council may provide that any person who, in the opinion of the City Assessor and not less than five members of the Council, by reason of poverty is unable to continue payments toward the cost of the making of a public improvement, may execute to the City an instrument creating a lien for the benefit of the City on all or any part of the real property owned by him or her and benefited by any public improvement, which lien will mature and be effective from and after the execution of such instrument, shall be recorded with the Register of Deeds of Eaton County, and shall not be discharged or released until the terms thereof are met in full. The Council shall establish the procedure for making this section effective.

Section 11.8 ALL REAL PROPERTY LIABLE FOR SPECIAL ASSESSMENTS

Section 11.10 CORRECTION OF INVALID SPECIAL ASSESSMENTS

Whenever any special assessment shall, in the opinion of the Council, be invalid by reason of irregularity or informality in the proceedings, or if any court of competent jurisdiction shall adjudge such assessment to be illegal, the Council shall, whether the improvement has been made or not, or whether any part of the assessments have been paid or not, have power to cause a new assessment to be made for the same purpose for which the former assessment was made. All proceedings on such reassessment and for the collection thereof shall be conducted in the same manner as provided for in the original assessment, and whenever any sum or part thereof levied upon any property in the assessment so set aside has been paid and not refunded, the payment so made shall be applied upon the reassessment or if the payments exceed the amount of the reassessment, refunds shall be made. Unless challenged by a successful appeal to the courts, no act of the Council vacating a special assessment shall destroy or impair the lien of the City upon the premises assessed for such amount of the assessment as may be equitably charged against the same or as by regular mode of proceeding might have been lawfully assessed thereupon.
