

WATER SERVICE INTERRUPTION & BOIL WATER NOTICE

Union Street (Church to Whitney)

Please be advised that water service in the noted area will be interrupted on August 29, 2018, at approximately **11:00 am** due to emergency water main replacement. It is anticipated that water service will be restored by **1:00 pm**. As a result, residents are advised that all tap water used for consumption should be boiled before use for a minimum of two days. We apologize for any inconvenience this may cause.

The City of Grand Ledge will be conducting tests to ensure that water is safe for consumption. Results of those tests are expected to be available on **Friday, August 31, 2018**. If the tests indicate that water is safe for use, the advisory will be lifted and residents will be notified.

If you have any questions or concerns, please contact the Public Service Department at 517-627-2149. Thank you for your patience during this improvement project.
