

NOTICE - WATER SERVICE INTERUPTION & BOIL WATER ADVISORY

DATE: July 31, 2018

ATTENTION RESIDENTS ON:

- Green Street (Jones to Seminary)
- Seminary Street (Green to Spring)
- Maple Street (Jones to Walnut)

FROM: City of Grand Ledge, Public Service Department

On Monday, June 18, 2018, a project to reconstruct Green St. between Jones St. and Seminary St. began. The project includes water main replacement (including water services to the shut-off near the sidewalk), storm water drainage improvements, and street reconstruction. As a result of these improvements, necessary water service interruptions are anticipated for residents in the highlighted area. Please refer to the following schedule for information regarding water

service interruption and a **boil water advisory effective Wednesday, August 1, 2018.**

Date	Impact to Residents
<p>WEDNESDAY, AUGUST 1, 2018 – SATURDAY, AUGUST 4, 2018</p> <p>Water Main & Valve Replacement</p>	<p>Please be advised that water service will be interrupted on Wednesday, August 1, 2018, beginning at approximately 8:00 am due to water main and valve replacement. It is anticipated that water service will be restored by 5:00 pm. As a result, residents are advised that all tap water used for consumption should be boiled before use for a minimum of two days. We apologize for any inconvenience this may cause.</p> <p>The City of Grand Ledge will be conducting testing to ensure that water is safe for consumption. Two consecutive water sampling tests are required by DEQ 18 hours and 24 hours after water pressure is restored. Results of those tests are expected to be available on Saturday, August 4, 2018. If the tests indicate that water is safe for consumption, the advisory will be lifted and residents will be notified.</p>

BOILING WATER BEFORE USE: Bring tap water to a rolling boil, boil for one minute, and cool before using, or use bottled water. Boiled or bottled water should be used for drinking, making ice, washing dishes, brushing teeth, and preparing food until further notice.

Questions or Concerns

Residents may contact the Public Service Department between 8:00 am – 5:00 pm, Monday – Friday at 517-627-2149 with any special needs or questions about the project. The Public Works Superintendent, Victor Rose, can be reached by e-mail at vrose@cityofgrandledge.com. For water system issues, please contact Utilities Superintendent, Kurt Ristow at kristow@cityofgrandledge.com.

Please look for project updates on our website at www.cityofgrandledge.com > Residents > Construction & Project Updates. We apologize for any inconveniences this may cause.
