Proposals submitted will be evaluated by the Finance Director and City Administrator with final approval by the City Council.

All questions regarding the development of a proposal should be directed to Cheryl Grice, Finance Director, by phone at (517) 627-2149 or email at cgrice@cityofgrandledge.com. Financial statements and operating budgets are available online at www.cityofgrandledge.com.

I. INTRODUCTION

The City is seeking an Auditor to express an opinion on the fair presentation of the City’s basic financial statements in conformity with generally accepted accounting principles. The Auditor is expected to apply all relevant accounting standards to their work, and to furnish all opinions, reports, checklists, and/or certifications that are required of auditors of Michigan municipalities. The Auditor is expected to provide assistance with the formatting and publishing of the City’s basic financial statements. Although an annual Single Audit report and opinion has not historically been required at the City, it shall be considered in this proposal.

The City’s selection process will rely on evaluations of the written responses to this Request for Proposals and any subsequent supplemental evaluation processes, such as requests for additional information, as may be undertaken by the City at its sole discretion.

The City reserves the right to accept or reject any or all proposals, and also the right to waive any formal defects in proposals when deemed in the best interest of the City. Further, the City reserves the right to accept a proposal higher in price than the lowest proposal, and to negotiate with any respondent concerning matters which the City determines require clarification or changes not in conformity with the specific requirements set forth herein.

II. BACKGROUND

The City’s fiscal year runs from July 1 to June 30. The City uses BS&A software for its accounting applications, such as, general ledger, accounts payable, and payroll systems. Financial data,

including a full trial balance, will be available as an Excel download for Auditor use. Work papers that are prepared by the City will typically be in Excel format, with either pdf or paper supporting documentation.

Auditor assistance is not needed for the State of Michigan F-65, Act 51 reporting, any Continuing Disclosure Filing via EMMA, nor Municipal Finance Qualifying Statement filings.

Appropriate workspace for up to five audit personnel will be made available for on-site field work. Ideally, the financial statements will have mid-September issue dates. The City understands that the first year of an audit engagement may require additional time.

Fifteen bound copies, plus one pdf copy of the final financial statement reports, will be required from the Auditor. The City intends to publish the report on its website.

It is expected that the Auditor will perform their duties in accordance with the directives given by the American Institute of Certified Public Accountants, the U.S. GAO *Governmental Auditing Standards*, the Governmental Accounting Standards Board and the State of Michigan Department of Treasury, among others. Failure of the City to list a task that should have been known to the Auditor will not excuse the Auditor from performing that task.

III. SCOPE OF SERVICES

The selected Auditor will be asked to perform the following:

- a. Express an opinion on the fair presentation of the City's basic financial statements in conformity with generally accepted accounting principles.
- b. Prepare financial statements in conformity with generally accepted accounting principles.
